PER CURIAM:

Martin Francisco Salazar appeals the district court's order denying his motion to compel and granting Defendant's motion for summary judgment in this employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Salazar v. Abraham, No. CA-01-3209-1-23 (D.S.C. filed Feb. 4, 2003; entered Feb. 5, 2003). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
